

A website for homeowners to **upload** and **store** information relating to their home in one **easy to access** cloud based location.

Upload escrow and title documents such as Deeds, Preliminary Reports, CC&R's, Easements, Homeowners Insurance, Closing Statements, Title Policies and other documents pertaining to the purchase or sale of your home.

Here's how to sign up:

- Go to www.MyHouseInTheCloud.com.
- Click Sign Up.
- For Homeowners, in answer to the question Homeowners, how did you hear about us? select Old Republic Title.
- Complete your contact information and create a Username and Password.
- Be sure to select your Old Republic Title branch.
- Agree to the Terms and Conditions.
- Click Submit.

That's it! You've created your account. Now you can upload:

- Important documents
- Receipts
- Information and photos of your valuables
- Insurance information
- And more!

Busy? On the go? Easily access your important information using your desktop computer, tablet or smartphone.

Think of it as a filing cabinet in the cloud.

Documents

Include information like closing statements, promissory notes, appraisals, user manuals, and much more.

Amenities

Store paint colors and flooring details for each room. Save appliance serial numbers and warranty info and much more.

Vendors

Never lose the name and number of your favorite contractors again. Store them in the cloud so you always know how to reach them.

Valuables

Upload photos of valuables like jewelry and antiques for insurance purposes.

Insurance

Keep auto policies, deductibles and VIN numbers in one place and access them from anywhere.

Receipts

Upload all receipts to make tax time a little easier.
